## **FINISHING FOR ALL PIECES**

**APPLY SNOW AND GLITTER:** Using gloss sealer apply to antlers and noses, before it dries, sprinkle on brown glitter, shake off excess. With a palette knife and non-fired snow, apply where desired, while the snow is wet, sprinkle on white iridescent glitter. Glue in pin lights. Apply Gloss Sealer to trees, pin lights, blue and white scarves, mittens and hat trim and complete snow area below trees, and before it dries apply white iridescent glitter. Silver and gold glitter to stars. Apply red glitter or embossing powder to all painted red areas. Lightly spray with Mayco's Matte Spray. This will help keep the glitter in place. All glitter used was extra fine.
