**PREPARATION:** After removing casts from molds place all holes for lights and lighting, cut out all windows and doors as desired. Allow to dry, clean greenware and fire to cone 04.

**BASECOAT:** Snowmen - Buttermilk, trunks of trees – Chocolate Fudge, Green

areas of trees and maple looking leaves on snowmen with **Green Mix**. Holly leaves with Accent Green. Mittens and scarves with Med. Blue. Base of cottages with **Blue Snow Mix**. Basecoat windows and doors with various colors, Med. Blue, Antique Red, Honey Toast and Purple mix.

**ANTIQUE:** With Golden Buckskin Twinkle, wipe off excess with a soft cloth.

**DRYBRUSH:** **Buttermilk areas** with 2 to 3 coats of Buttermilk followed with 1 to 2 coats of White. **DRYBRUSH:** All Chocolate Fudge areas with Chocolate Fudge followed with 2 coats each of Chocolate and Medium Mocha, highlight with Golden Ochre added to your brush. Drybrush green areas with Green Mix followed with 3 coats of Golden Ochre added to your brush, highlight with 2 light coats of Buttermilk. Drybrush holly leaves with Accent Green, Forest Green, Sage and Limeburst. Drybrush windows, doors and snowmen mittens and scarves with the original basecoat color, highlight with White added to your brush. For red windows, drybrush with Christmas Red and add Orange to your brush to brighten.

**PAINT:** Snowman hats Black and noses Orange. Drybrush snowman noses with Buttermilk added to Orange.

**APPLY SNOW AND GLITTER:** With a palette knife and non-fired snow, apply snow to snowman hats, trees, holly leaves, berries, edges of windows and doors and to cottage bases (refer to flyer). Before the snow dries, sprinkle on glitter, allow to dry. Glue in large and small globe lights. Apply a small dab of snow to the globe lights and again before it dries, sprinkle with glitter. When completely dry, lightly blow off excess glitter and lightly spray with Mayco's Matte Spray. This will help keep the glitter in place.

### **DOTTED SWISS SNOWMEN**

**Use a small pliable squeeze bottle and fill with non fire snow. Cut off tip just enough that the snow can flow through without too much trouble. Dot snowmen in a uniform pattern and before it dries sprinkle with glitter. Allow to dry somewhat. If peaks remain on your snow dots, lightly tap down peak with a gentle finger. Allow to dry completely.**

**RE ANTIQUE:** If your letters in the words on the snowmen need more antique, antique only the word areas. Wipe off with a soft cloth, using paint thinner and a clean cloth; gently remove all of the antique from the surface of the snowmen around the word areas.
